Please note that no individual is allowed to approach the Classification Team regarding a SPECIFIC player's Classification Status. Only the Head Coach may approach the Classification Team regarding their player's Sports Class /Classification Status.

I ask all team officials to ensure their teams understand this.

- **Training Sessions on Friday, March 30**

Teams interested to have a training session this Friday can reserve a court by filling the timetable on the board in the lobby of the hotel.

- **Special Match**

Team Italy Men will play a match against the International Technical Officials at 15:00 on Saturday 31 March. We expect to see spectacular performances by the ITOs, who will take the court keen to display their high level playing skills. Of course the Italians should enjoy the opportunity to do battle with the referees, which they are not able to do otherwise. Come along and cheer for your favourite team!
